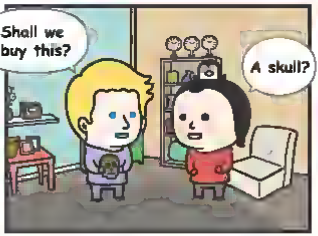
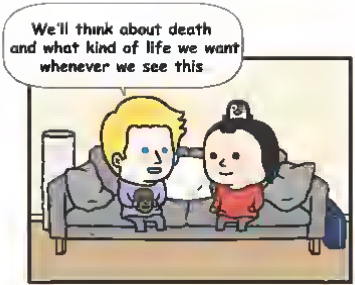
A Skull



Recently,
we went to an interior shop.

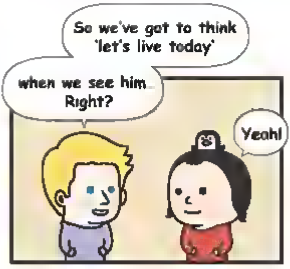
We bought a skull as decoration.



And the skull was
a quite meaningful thing

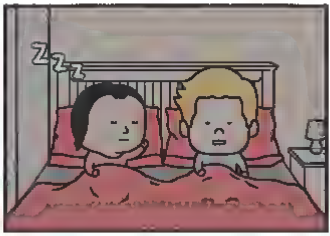
Death was something very unrealistic when I was a kid
but it isn't any more as I've grown older.

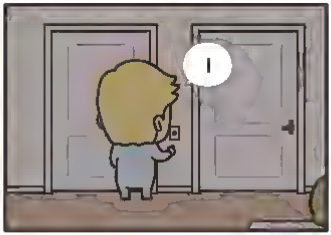
There is no order in death.
Yeah We never know what will happen day by day.



We really liked our new friend.

During the next few days...



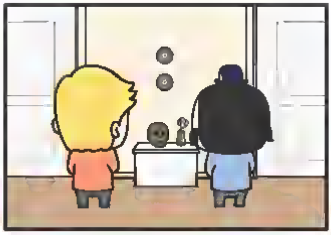


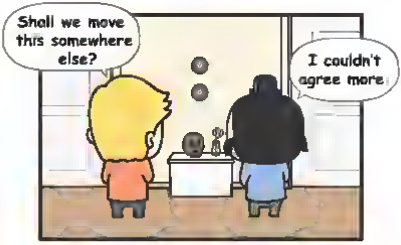
I

Arhhh!!!!!

Ah, we bought this

Wha...
What is!!





Shall we move this somewhere else?
I couldn't agree more

The skull nearly killed us.
